AMERICAN ENGLISH TODAY

CHANT OF THE CENTURIES ~ DAVIES ~

N.C.

In Dedication Mr. James Haney

Mr. Haney and his art students have helped with the Art work for the annual for the past 4 years. We are very grateful for this help. The classes do many projects throughout the year such as pottery and oil painting.

Mr. Haney has sold many of his paintings throughout the Panhandle. The end sheets this year are a sample of his work.

Students Pottery

Watching the pottery cook.

Mr. Haney helps students with their drawings.

In Memory

TILLMAN HAWKINS

TILLMAN HAWKINS was a member of the class of 77 until the 5th grade. He was killed in a tragic accident. He will always be remembered.

On behalf of the 1977 ELK ANNUAL Staff, I would like to thank the following people:

Mr. Delvin Howard—Without him the annual would never have been.

Mr. James Hanev & the Art classes—They have supplied the annual with endsheets, cover, and artwork.

Mr. Dave McReynolds—He took time out of his busy schedule to take all the pictures for the annual.

Thank you very much to all of these people.

Senior Class History

Once upon a time 63 little fairies in pig skins danced their way to a castle called school. This castle was enchanted and thru the years there were a few disappointments, but everyone was touched by some form of magic.

All fairy tales must have a prince and princess and during the 12 year stay in the castle there were 12 princes and princesses. In the first grade Johnny McReynolds and Jane Hamilton. Second grade they were Wil Allen and Jeanne Engelbrecht. Third grade was Diana Dickey and Donnie Gaston. Fourth grade was Vince Haggard and Jeanne Engelbrecht. Fifth grade was Mark Wright and Kristi Sumner. In the sixth grade they were David McDaniels and Terri Walker. Seventh grade was Chip Caraway and Kristi Sumner. In the eighth grade was Bill Stroud and Lane Rodgers. Freshmen were Mark Wright and Yonahde Beavers. Sophomores were Tony Urias and Terri Walker. Juniors were Kathy Lewis and Joe Pete Albert, and finally for the Senior year there was Ricky Blake and Debbie Miller.

Going back to the first grade there were a few scardy cats. Debi Burgess and Beth More never did stop crying on the first day of school. But then they have a hard time keeping their mouths shut anyway.

And Poor Joe Pete Albert you didn't have to try to run away. That big mean old electric paddle wasn't going to hurt you.

Dennis Irbeck, did your ex-hat scare you so bad that you wet your pants and then had to clean it up with toilet paper?

We like the next five years went by pretty smoothly. Everyone had their share of licks and reading in the book room. Paper airplanes and wads were big with substitute teachers. Everybody tried to see who could throw them closest to the teacher without her seeing them.

Also everyone should remember the big spit was out stick. You can still see the results if you go in one of the 6th grade rooms and look up at the ceiling. During those years, Johnny Cearley and Carrie Cummings never did change.

Rhonda Sutterfield, was your memory bad in the 8th grade? I heard that you forgot your basketball shorts at a game and had to borrow Don Harris's shorts. Did they fit?

Ginger, has your peeing arm gotten better? Do you remember in the 8th grade when you were supposed to throw David McDaniels some pants and they fell off the stage?

Jesse Boardman, do you remember your 8th grade party with Chip Caraway and Johnny Fwers? With some of the things that did happen how could you forget?

Carrie Cummings sure did like to argue a lot with Mr. Pratt. It seems thru the years that she's gotten better at it.

Blynn, does Andy Riffe still consider you as one of the boys?

At one time Benjamin Huereca and Jeanne Engelbrecht had something going. But Rod Kendrick just had to bother them in science class. He shouldn't have because they were getting along just fine.

After 8 long years of Jr. High and Elementary 14 little mascot makers graduated into the finer parts of the castle. Then they were met at the door by Dr. Jeckle—Mr. Prescott and later on by Mr. Hyde—Mr. Howard. These four years went by fast and there were many good memories.

Remember when everyone had two Math teachers? Mr. Rust explained math so good that everyone had to rush to Mr. Ape so he could explain it.

Vince do you remember the day in Mr. Howard's class when Mrs. Prescott walked in? What were you doing?

Johnny Powers you sure do have a lot of accidents. First you fell out from the back of my go-kup and hurt your elbow. I know Mark Phillips remembers—he was hanging on to the back of the tangent for dear life. Powers, you almost broke your toe one night by kicking a cat. Did you have a little too much fire water?

Dennis Irbeck sure treats his car nice. Do you remember driving up in a yard one night?

Debbie Allen took a trip on Saturday night to Boise City, what soiled Debbie? Could it have been a bright moon?

Jeanne, why did you and three more people walk 7 miles to town one night? Since you all were out in the country you used the same old excuse the car broke down. We all wonder what really did happen.

Just think I can only give you four months gets to you. I'm able to take your checks into Bogarts and Gatsby legally. Until then you're gonna have to keep staying with Kay on weekends.

Leonard, we heard you sent your application to Playboy—too bad they rejected your body.

Everyone should remember Kathy Lewis's sleeping hours. Kathy don't you know you sleep at night and not during classes.

Tony Urias, have you rounded up all your little Indian ties? If you have you can start getting unemployment checks and they can live on food stamps.

Tommy Carter, does the air in your tires come out by itself or are they affected just when Leonard and Johnny are around?

Tracy Hamilton, you sure did run away for a long time. What happened? Did you get hungry and decide to come home for supper?

Terry Wheeler, you sure made history when you got a job. We didn't think you were capable of doing anything, especially in Coach French's class.

Benjamin Huereca, do you have a mail route from Stratford to Dalhart? You sure do spend a lot of time over there.

Toni Oakley, is that your real hair on top of your head or did a horse accidentally drop by?

Teresa Trevino, do you miss your recesses now that you're in high school? Now you'll just have to jump your rope at home.

Curtis Schwertner, when you graduate you will still be remembered especially with the band. How can anyone forget the Curtis Award?

Nobody will forget Ricky Blake and his specs. Was the sun really shining brightly in Sunday School?

Billy Sewell and Mark Wright (tall as short and sassy) tell us which was colder the bag of ice or the sheriff's office.

Poor Roach. I bet he's been introduced to all the trash cans around. He's just the size to fit into one head first.

Jimmy Kirkwood, did you enjoy climbing the water tower? I bet your hands didn't. It was pretty cold that night and next time if you ever go again, please be a little neater.

The seniors have had many great personalities through our years. Their abilities never fail to amaze us.

Kristi Sumner has an ability to attract shower curtains. They seem to fall open without any help. Were you surprised by all the spectators you attracted? Well Allen has a powerful ability to make everybody leave 6th hour study hall in a hurry. Shame on you for being such a stinker.

Vince Switzer you're such a heart breaker. You broke Vince's heart when you told on him for stealing one of Coach Brate's tests.

Poor Beth, your ability to climb ladders while you're directing band just isn't good. We hope Jacques doesn't take after you.

Tommy McReynolds has a good jumping ability. He jumps out at girls during Home and Family. Have you caught anything yet?

The years have come and gone and some have gone by more quickly than others. And as much as you might hate to admit it some of you would never have made it without the leadership and guidance of your teachers.

Senior Class Prophecy

The Senior Class of 1977 has been gone from Stratford High School for 10 years. We visit the timely halls of SHS, let us reflect on the present lives of this class.

First of all there is Joe Pete Albert. He was recently picked 12th choice for the Dallas Cowboys. By the way, he's the waterboy.

Will Allen finally got where he wanted. He was recently promoted to Editor of Playboy. Wonder if he's learning anything new?

Some of you may have caught Steve Ashley's midget act if you went to the Barnum & Bailey Circus performance. As expected, Ricky Blake is making a name for himself. He is the town lawyer at San Jon, Mexico—population 612.

It was said that Jesse Boardman, his wife; Ginger Freeman, her husband; and Kristi Summerour and her husband have started the cutie couple club. Wonder if it's any fun?

Blynn Donelson and Tom McReynolds both went into Forestry. Seems they've been hanging around in the trees together.

Debi Burgess was recently installed as President of the Natural Look Cosmetic Company.

Tommy Carter has been breaking 440 yard dash records all over. Since Beth Moore is a lab technician, she developed a chemical to make him go faster! Hey Beth, did it work?

As you all know, for the past few years, Rod Kendrick has been campaigning for President. Well, he finally got elected. Since he is faithful to SHS, he has hired Jeanne Engelbrecht as his private secretary. And she can type!

We're sure everyone remembers Leonard Duncan; he seems to be in almost everything. After his rejection by Playgirl Magazine, he is now starring in a new Walt Disney movie—"My Comb and Me."

There were even a few businessmen to come out of the Senior Class of 1977. John Cearley is the new manager of Don's supermarket; Mark Phillips is competing with him as he is manager of Cut Rate. Jimmy Kirkwood is also a manager, at his own Feedlot, but it only holds 5 because that's as far as he can count.

Not much is heard of Vence Haggard. But the last report was that he was an engineer on a railroad. Hope he keeps his trains up!

Ben Huereca and Kathy Lewis are still very familiar with SHS. Ben's still in English with his term paper and Kathy's still sleeping!

Len Garoutte has just been elected as Miss Checks USA. She's now trying for the Miss Universe Contest.

If anyone ever visits the New York museum of Art, you will probably see a few of Billy Sewell's pictures. They seem to be popular, but rumor has it that he's bought most of them himself!

Debbie Miller is a nurse at Dallas Memorial Hospital and she is helping the critically thin.

Toni Oakley is still trying to go further than just the Miss Stratford contest these days, hope she doesn't grow old on us!

Johnny Powers has his own Mechanic Shop now. Powers, who now possesses a beer belly, specializes in Hot-Rod.

Curtis Schwertner recently graduated from the Air Force Academy where he tried to be in the band. Seems he still hasn't learned which is his right and left hand!

Another movie star bloomed after graduation. Tony Urias finally took over as Barbarino in "Welcome Back, Mr. Carter."

Rhonda Sutterfield just completed a new addition on her business—"The Biggie Farm." Business must be booming! Let's hope she doesn't eat the profits!

Vicki Switser has been accepted in the New York Symphony. Guess she's still tooting on her flute!

Another secretary came out of the Class of 1977. Wonder if Teresa Trevino has heard of how far that business can go?

Like father, like son. Terry Wheeler is in his 7th year as cop at Fink, Texas. Wonder if he got any pointers from his Dad?

Dennis Irlbeck is still going from town to town trying to find him a girl that will stay with him for over 2 weeks.

Don Harris was recently contacted by the National Scientist Association. They want to do research on nose surgery.

Last, but certainly not least, is Mark Wright. At the last National Finals Rodeo he beat out Larry Mahan for the title of Best All Around Cow Milker. Congratulations!

Some of them have done well, the others have done just as everybody expected. But we're sure Stratford High can't forget them—and they probably won't forget us either.

Senior Class Will 1976-1977

We are gathered here tonight to honor the passing of the Class of 1977.

Being of one mind and of one heart, we have this class give all their worldly possessions to the Senior Class of 1978. These include

1. an unused can of deodorant
2. a pair of dirty gym socks
3. a collection of worn out playboy centerfolds
4. one bottle of aspirin
5. 37 unused, just like new SHS Student Handbooks.

In addition to these possessions each Senior would like to leave something to remember them by.

Johnny Powers, Mark Phillips, and Larry Kirkwood gave the busters on their heads to the incoming D- with a bow tie. J. B. Howard, Thomas Sewell, and Ralph Keener.

Billy Sewell wails his ability to be a lover, fighter, and wild filly to Duane Gillenwarers and David Pronger.

But Moon gives individuality to his own characters, a football game while a section, the Band to Shave, What is Black is Beautiful, 'Surreal'

Toni Oakley wills her ability to win beauty contests to Honey Hart.

Yemeni (Hagazi) leaves his home in the District of Khatayseh. Major Khatayseh is the District Officer and he is now

Leonard Baran: "Equally his most prized possession is his 1966 Ford Mustang coupe. He bought it in 1967 for \$1,200. Good luck guys."

For a long while his back hurt. Roy M. Anderson said Roy would have to hold over the Maylin as he knew it, a way too

Steve As you've seen his growing pills to Buddy Waterspoon.

Ricky Bak saves his ability to dress nice to Chris Preston and Tommy Ashley.

Will Allen caves his girlfriend from Gruver to Brad Booth. We all know who she is don't we Will?

Yuko Switzer's last thoroughly Hmong film features an heir to a tiny Hmong and his ex-girlfriend. Too bad we don't play dates to find him. Only and Exotic.

Debbie Miller leaves her ability to get stuck out at the Dathart Lake to Erlene Wheeler.

Ben Hur, the letter K, w, e, s, l, e, c, t, r, i, c, s, a, b, o, u, t, n, o, t, d, e, v, o, t, e, j, u, s, t, s, o, \$300,000, B, a, c, k, e, r, B, e, a, t, e, I, h, o, p, e, t, h, i, s, w, i, t, h, t, h, a, t, y, o, u, r, 'O, n, l, y, t, o, d, a, y, '.

Terry Wheeler leaves his clear speaking voice to Tara Calvey. Tara really needs this.

Johnny Powers wills his ability to kick in the hub caps and break his toe to Donovan Ferguson.

Mark Phillips and Jimmy Kirkwood leave their secret fishing hole to Mike Trotter and Matt Brannan.

It may not surprise and sting as it seems to be a popular one with Democrats like K. R. Harris due to it that the

Len Garoutte wills her tennis ability to David Vigil. You've got the form David, now all you need is the skill.

Kathy Lewis winks her baton and twirling suit to Alfred Romero. Be sure and Smile Alfred.

Mark Wright leaves his spuff can to Laura Riffe. Now Laura can have a circle on her pocket.

Johnny Carter will be fighting a special American Kick Match now known as "throwing your away laster" Mus Carter's class

Ernest McReynolds lives his last days in the home of Betty Gross and Marie Garza. Coming to the street in the that had

Blynn Donelson leaves her quietness to Patty Pool and Tom Vincent.

Doc Harris leaves his nose to Max Plunk

Red Kendrick walks us National Geographic to Pat Emerson and Bryan Avery. You'll have to watch out for the centerfolds.

Kristi Summerour leaves her car to Brenda Hawkins. Sorry you will have to give up Saab or Cadillac Brenda

Debi Burgess wills her walk to Belinda Stadek. Shake it but don't break it, Bolt.

■ Crayley and Carrie Cummings wills her red hair to Connie Moore and Donna Turner.

Romulo Spletter's agent seems to be something we know: Barbara Miller and Margaret Romero are the lucky inheritors.

Jesse Boardman leaves his early marriage to Russell Luther. You Better start looking Russell.

Joe Pete Albert wills his athletic ability to Wyatt Oakley. **A Star is Born.**

Teresa Trevino leaves her ability to skip school to Norma Olivas.

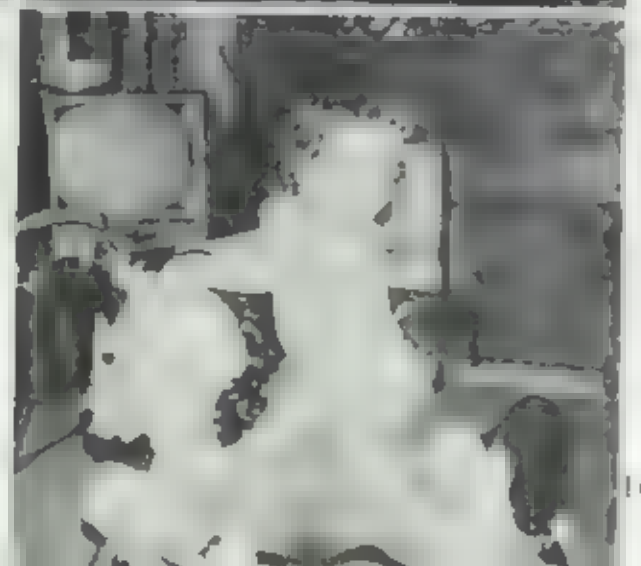

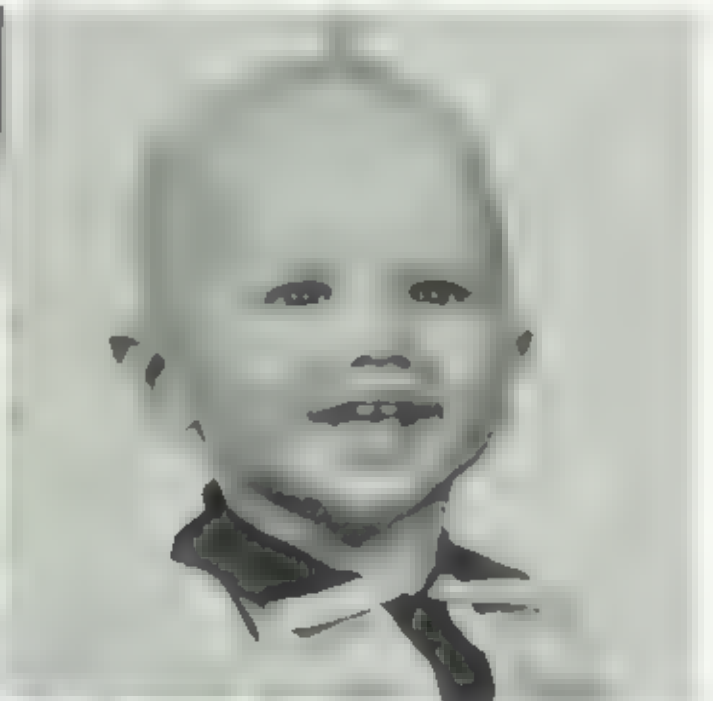

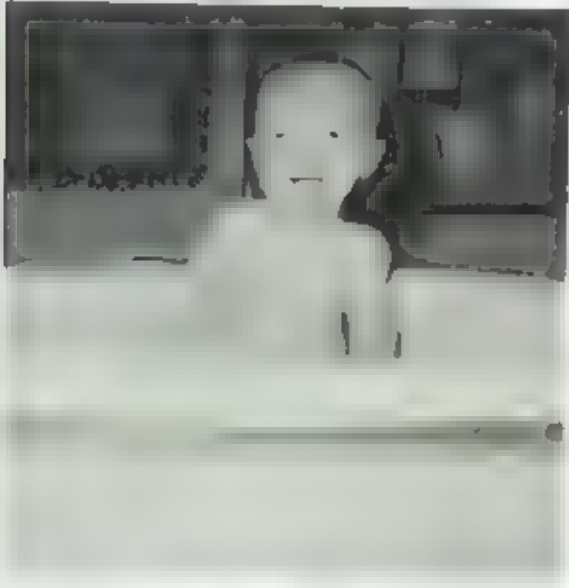

Ginger Borth Freeman leaves Kay Lewis a map of all the good parking spots in Texhoma.

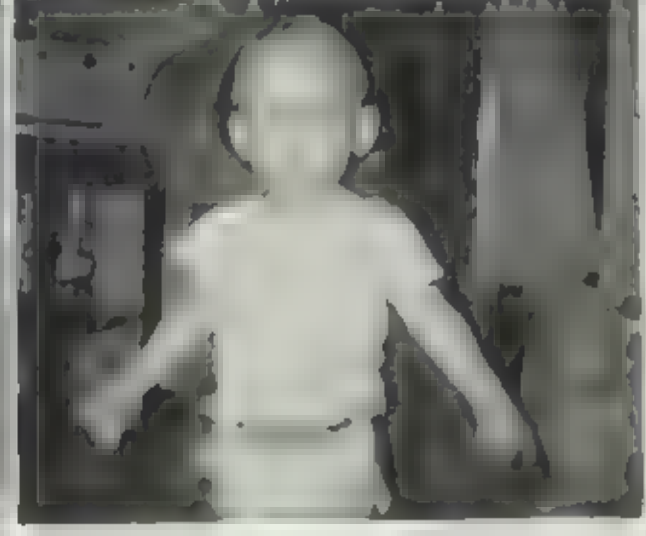

Will Allen leaves his long straight legs to Patty Dietrich.

Tracy Hamilton leaves her bleached blonde hair to Dora and Jill.

We know you'll want to be part with these things of great value. We feel privileged to take on the responsibility of looking after your priceless possessions.
